The three qualities
of a Bann Home

*"We love our
Bann Home."*

and Zack Griffin

Bann Homes, Inc.
was started in 1923 by
Anthony C. Bann as a
masonry and plastering
company. Bann Homes
continues to excel today
as a fourth generation
custom builder with highly
skilled and conscientious
craftsmen who provide
superior construction at
competitive prices.

Value... through Quality Craftsmanship...

You can feel it when you walk in a Bann Home.

Whether it's starter homes for young couples or singles, or luxury homes for growing families or professionals, a special emphasis is placed on incorporating features and amenities that compliment individual lifestyles as well as providing exceptional quality in every finished detail. Bann Homes, Inc. takes personal pride in building each and every home to the owner's specifications and transforming their dreams to reality. So, when you're building a new home, make sure it's a great value.

Make sure it's a Bann Home.
